Education:

Carnegie Mellon University | Bachelor in Design with a focus in Product Design

AUGUST 2022 - MAY 2026 | Pittsburgh, PA

Experience:

Carnegie Mellon University Press | Design Intern

OCTOBER 2024 - PRESENT | Pittsburgh, PA

Coordinate with authors and Production Coordinator to establish design direction and produce high-quality book cover designs published by the University Press.

CMU Student Academic Success Center | Tartan Scholars Programming & Family Ambassador

AUGUST 2023 - PRESENT | Pittsburgh, PA

Correspond with fellow SASC staff on a weekly basis and assist in organizing and operating events for 400+ Tartan Scholar students.

Individually mentor nine Tartan Scholar students throughout their first year of college through monthly group outings, one-on-one meetings, and weekly office hours. Facilitate in their transition to college with a six-day-long orientation and camp experience.

CMU School of Design | Teaching Assistant

JANUARY 2026 - PRESENT | Pittsburgh, PA

Serves as a teaching assistant for 40 first-year design students for the class Collaborative Visualizing, focusing on teaching frameworks of notational, exploratory and explanatory collaborative sketching.

Games For French | Product Design Intern

JUNE 2025 - AUGUST 2025 | Pittsburgh, PA

Developed 10 analog board games by organizing a production pipeline, evaluating an archive of student-created games, proposing visual branding, and designing assets in the correct file format to be manufactured. Developed visual components for every game, including cards, chits, boards, packaging, and instructions in two languages.

CMU School of Design | Office, Admissions & Facilities Management Asst.

OCTOBER 2023 - DECEMBER 2025 | Pittsburgh, PA

Assisted in the organization and management of information, equipment, supplies, and spaces in the School of Design for use by faculty, students, and staff.

CMU Pre-College Programs | Pre-College Resident Advisor

JUNE 2024 - AUGUST 2024 | Pittsburgh, PA

Supervised and resolved interpersonal conflict for over 30 high school students in a dormitory setting for a six-week program. Ensured safety of minors through monitorization of non-student visitors, incident reporting, and emergency response readiness. Fostered community by hosting weekly activities for approximately 100 student attendees.

Community Involvement:

IDSA National Chapter Member MAY 2024 - PRESENT

Build18 | Creative Media Officer APRIL 2024 - MAY 2025

Sustainable Earth AUGUST 2023 - PRESENT First place Blitz & First Place Overall Booth 2025 Carnival | First Place Doghouse 2024 Carnival
